Pursuant to the Registration Rights Agreement, the RRA Parties were granted certain customary registration rights, demand rights and piggyback rights with respect to their respective shares of Common Stock. The Registration Rights Agreement requires the Issuer to file a resale registration statement on behalf of the RRA Parties as soon as practicable but no later than 30 days after consummation of the Business Combination. The Registration Rights Agreement also provides certain demand rights and piggyback rights to the RRA Parties, in each case subject to certain offering thresholds, applicable lock-up restrictions, issuer suspension periods and certain other conditions. The Registration Rights Agreement includes customary indemnification provisions. The Issuer has agreed to pay certain fees and expenses relating to registrations under the Registration Rights Agreement.

In addition, pursuant to the Registration Rights Agreement, and subject to certain customary exceptions, each RRA Party (including the Sponsor) has agreed agree that, during the period beginning on the date of consummation of the Business Combination and ending on the 180th day thereafter, such RRA Party will not, directly or indirectly: (a) sell, offer to sell, contract or agree to sell, hypothecate, pledge, lend, grant any option, right or warrant to purchase, purchase any option or contract to sell, or dispose of or agree to dispose of, or establish or increase any put equivalent position or liquidate or decrease any call equivalent position within the meaning of Section 16 of the Exchange Act, in each case with respect to any Registrable Securities (as defined in the Registration Rights Agreement); (b) enter into any swap, hedging or other agreement, arrangement or transaction that transfers to another, in whole or in part, any of the economic consequences of ownership of any Registrable Securities; or (c) publicly announce or disclose any action or intention to effect any transaction specified in clause (a) or (b).

The foregoing description does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Sponsor Support Agreement and the Registration Rights Agreement, copies of which are attached to this Schedule 13D as Exhibits 99.2 and 99.3, respectively, and incorporated herein by reference.

Except as described above, no contracts, arrangements, understandings, or relationships (legal or otherwise) exist between any Reporting Person and any person with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, divisions of profits or loss, or the giving or withholding of proxies. Except as described above, none of the Reporting Persons is a party to any arrangement whereby securities of the Issuer are pledged or are otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities.
